

HELLO ROVER!

At Rove Hotels, we've always taken pride in our cleanliness and hygiene standards. But these days we're being extra careful to make sure our Rovers are as safe and comfortable as possible.

Here's a quick round-up of what we're doing:

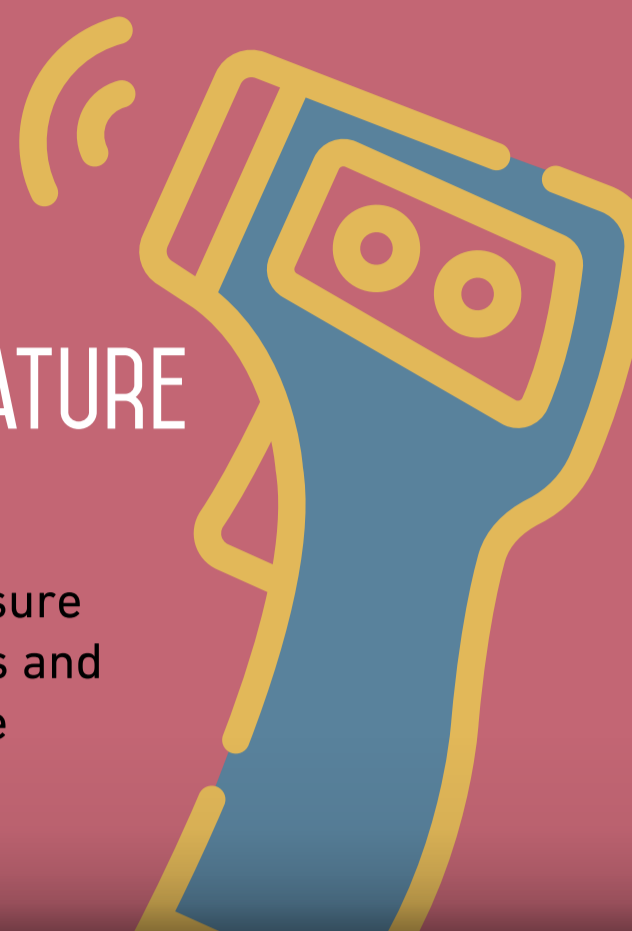

MASKS ARE A MUST

For everyone and at all times.

QUICK TEMPERATURE CHECKS

Just making sure all our Rovers and Rovesters are presently in good health.

STRICT ROOM HYGIENE

Rooms are thoroughly sanitised prior to your arrival. You'll always be the first one in!

REGULAR SANITISATION

We're being extra careful to keep all spaces spotless and germ-free at all times.

CONTACTLESS IS THE NEW KING

Contactless cards and mobile payment methods are encouraged.

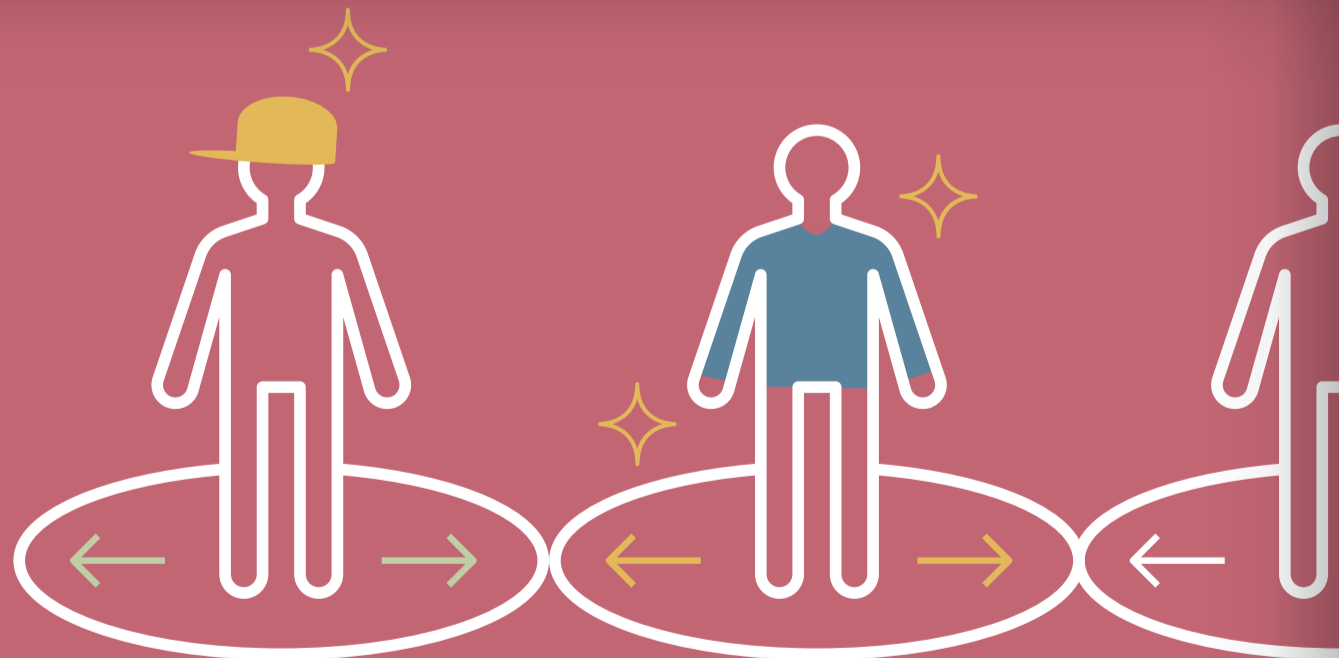

MASTERING BEST PRACTICES

All Rovesters are trained to maintain these guidelines and keep you safe.

KEEP THE SOCIAL DISTANCE

2 metres is the magic number. It's all about the air-fives now anyway.

SEE YOU SOON!
