WHERE WE COME FROM

At Rove Hotels we like to refer to the unique, independent, creative modern travellers who stay with us as Rovers. We know that they will demand authentic experiences that deepen their character, enrich their memories and help them rise to new heights.

We can appreciate this and are geared up to help our Rovers venture away from the mainstream and explore as a local does, absorbing the deep-rooted culture of the city. At Rove Hotels, we are attuned to this spirit of adventure, but we never forget our roots.
